

Second All-Ukrainian Contest for the Best Enterprise or Organization
with Program and Activities on HIV/AIDS Workplace Prevention
«Joint Efforts for Healthy Future»

The SMARTWork project, implemented in Ukraine by the Academy for Educational Development with funding provided by the United States Department of Labor, together with the Ministry of Labor and Social Policy of Ukraine, are pleased to announce a contest among the enterprises and organizations in Ukraine for “The Best Business with HIV/AIDS Preventive Policy and/or Program Award: Joint Efforts for Healthy Future.”

The goal of the contest is to show the positive experience of implementing HIV/AIDS prevention programs at enterprises from different sectors and to ensure social guarantees for employees infected or affected by HIV/AIDS. We aim to stimulate management in working towards the implementation of HIV/AIDS prevention policies and programs, which may lead to the creation of national HIV/AIDS workplace prevention policy.

Enterprises and institutions from state-owned and private companies, as well as trade union and other non-governmental organizations, are invited to participate in the competition. Enterprises and organizations that are making first steps in HIV/AIDS workplace prevention are also welcomed to participate.

Participation is voluntary and free of charge. Organizations that participated in the first contest are encouraged to reapply.

The deadline for applications is Friday, March 10, 2006, 18.00.

Applications can be obtained in and submitted to the SMARTWork/Ukraine office:
